LEADERS PLUS+

BRAVE LEADERS PLUS+:

What do I need to know?

1. **Brave Leaders Plus+** consists of 2 phases: Part 1: Personal Growth. Part 2: Leadership Development. It is designed to help Representatives apply course learning directly to growing their Juice Plus+ businesses.
2. The program is offered twice/year: January and May or June. Part 1 runs 8 weeks and consists of the Brené Brown *4 Pillars* online course and weekly one-hour small group Zoom calls. Part 2 runs 10 months and consists of the Brené Brown *Deep Dives* online course and a monthly one-hour small group Zoom call.
3. The Juice Plus+ Company underwrites much of the program costs. Representatives pay only \$100, NMDs pay only \$220 and this covers Parts 1 and 2. You have access to the online material for 2 years.
4. To be invited to the June 2018 course, you would have fast tracked to SC or promoted to SSC, QNMD, or NMD by March 31, 2018. To be invited to the January 2019 course do the same by September 30, 2018.
5. **Juice Plus+ Partners in Success (JPPS)** FB group: to help you focus on growing your business in order to be invited to the January 2019 class, you may join this FB group. We have weekly activity posts to challenge you in growing your business. Anyone may enroll in this FB group with the exception of graduates and current participants in BLP+ and all NMDs. But you must have a Buddy and enroll together.
6. The next JPPS FB group starts May 7th. To enroll send 1 email to jpps@juiceplus.com with the following information about you and your buddy. One email per Buddy pair (your Buddy can be any JP+ Representative but note the exclusions above). For both Buddies, please provide:

- Names
- FINs
- Email addresses
- Your levels in the business
- Upline NMD names

Questions: BraveLeadersPlus@juiceplus.com

Your email must be received by May 1st to be enrolled in the JPPS FB group.
