As you add new customers and accumulate volume, you qualify to earn commissions, too. Your goal should be to become a Juice Plus+® “Virtual Franchisee” as quickly as possible, preferably within your first 60 days in the business under our “Fast Track” program.

To become a:	You accumulate	or “Fast Track” by accumulating
DIRECT DISTRIBUTOR (6% commission)	\$2000 in PVC over time	\$500 in PVC in your first 30 days
VIRTUAL FRANCHISEE (14% commission)	\$6000 in PVC over time	\$2000 in PVC in your first 60 days

Remember that the business you accumulate does not have to be generated only by your own customers; you also get credit for business generated by other new Representatives you bring into the business. Your only other requirement to earn these positions is to have \$500 in “Personal PVC” (Purchase Volume Credit in your number) in your qualifying month. (Please refer to definitions.)

Qualify to earn even more by duplicating your efforts with others.

In addition to your retail profit, Juice Plus+® continues to increase your sales commissions and/or offer special "Performance" and "Promote-Out" Bonuses as you add new Independent Representatives to your organization and continue to build your Virtual Franchise.

Definitions & Explanations

1. Purchase Volume Credit (PVC) is the portion of the price that applies for qualifications and commissions.
2. Your Personal PVC is the amount of PVC purchased under your Independent Representative number each month.
3. Your downline is all of the Independent Representatives below you in your Juice Plus+ Virtual Franchise.
4. A line is each independent segment of your downline. Each line begins with an Independent Representative you personally sponsor (Frontline) and represents a new and separate "line" in your organization. For commissions, bonuses or promotion qualification purposes a Working Line is a VF or higher with 6 or more active (3-5 customers) representatives that are commission qualifying in that line.
5. Your Juice Plus+ Performance Bonus Volume is the total of your Personal PVC combined with the Personal PVC of other Independent Representatives in each line of your sales organization who have not yet reached the position of Virtual Franchisee and who are not under a Virtual Franchisee (or higher) in your organization.
6. To qualify to earn a Sales Commission in a given month you must have at least \$90 in Personal PVC that month.
7. A qualifying month is the month in which you meet the qualifications for a particular position in the Profit & Incentive Plan.
8. An effective month is the month immediately following a qualifying month in which you become eligible to earn the various commissions, bonuses, and other benefits associated with the position you have qualified for.
9. Performance Bonus (PB) is a 5% bonus you can begin to earn once you reach the position of Virtual Franchisee. (See "Performance Bonus" below.)
10. A generation is a group of Independent Representatives between PB qualifiers down to and including the next PB qualifier upon which Performance Bonus is paid.
11. Payline is the total PVC upon which Performance Bonus is paid in any particular month.
12. Promote-Out Bonus (POB) is an additional 4% bonus you can begin to earn once you reach the position of Sales Coordinator. (See "Promote-Out Bonus" below.)
13. Business Incentive Bonus (BIB) is another bonus you can begin to earn once you reach the position of Senior Sales Coordinator. It is equal to 5% - 20% of your monthly earnings, subject to Team Structure, based on working legs, a minimum earnings requirement and a maximum bonus amount.
14. Excess PVC is the amount of PVC generated in any given month in excess of the PVC you need to qualify for a particular bonus in that month. (Excess PVC may be carried over to the next month only and used to qualify for that bonus.)
15. Your Sales Coordinator "open downline" is all of the Independent Representatives between you and the next Sales Coordinator (or higher) below you in each line of your organization.

Performance Bonus (PB)

Once you become a Virtual Franchisee, you are eligible to earn a Performance Bonus (PB) each month on up to 5 generations of Independent Representatives in each of your lines depending on your position in the Juice Plus+ organization. There are 3 ways to qualify for Performance Bonus:

- 1) by generating at least \$1000 in PVC that month (including Excess PVC from the immediate prior month). This qualifies you to earn PB on up to 3 PB-qualified generations in each line.
- 2) by generating at least \$1000 in PVC that month (including Excess PVC from the immediate prior month) AND having at least 4 different lines with a PB qualifier in each line. This qualifies you to earn PB on up to 4 PB-qualified generations in each line.
- 3) by having at least 5 different lines with a PB qualifier in each line with NO PVC requirement. This qualifies you to earn PB on up to 4 PB-qualified generations as a Virtual Franchisee, Sales Coordinator, or Senior Sales Coordinator and on up to 5 PB-qualified generations as a QNMD or NMD.

Promote-Out Bonus (POB)

Once you become a Sales Coordinator, you become eligible to earn a Promote-Out Bonus (POB). POB is equal to 4% of the PVC purchased not by your own Sales Coordinator "open downline," but by the "open" downline of the first Sales Coordinator (or higher) in each of your lines down to and including the "open downline" of the first POB-qualified Sales Coordinator (or higher) in each line. (If the first Sales Coordinator in a line is POB-qualified then your POB bonus PVC begins and ends with the "open downline" of that first Sales Coordinator.) There are 3 ways to qualify for Promote-Out Bonus:

- 1) by generating at least \$3000 PVC in YOUR OWN "open" downline that month (including Excess "open downline" PVC from the immediate prior month).
- 2) by generating at least \$1500 PVC in YOUR OWN "open downline" that month (including Excess "opendownline" PVC from the immediate prior month) AND having at least 2 different lines with a POB-qualified Sales Coordinator (or higher) in each line.
- 3) by having at least 3 different lines with a POB-qualified Sales Coordinator (or higher) in each line with NO "open downline" PVC requirement.
