Business Incentive Bonus & Benefits Requirements

Business Incentive Bonus (BIB)

In order to draw Business Incentive Bonus (BIB), a distributor would be paid monthly based on the conditions below:

	<u>PB Legs</u>	<u>POB Legs</u>	<u>BIB %</u>	<u>Max Paid</u>	<u>Minimum Earnings</u>
NMD:	5	3	20%	\$3,000	\$2,500
	4	2	10%		\$2,500
QNMD:	3	2	20%	\$1,000	\$1,500
	3	1	10%		\$1,500
SSC:	3	2	20%	\$500	\$1,000
	2	1	15%		\$1,000
	2	0	10%		\$1,000

Note: BIB is calculated based on the previous month's earnings and structure.

Performance Bonus

In order to be paid PB on generations 1 through 3, we would leave the qualifications as they are at 1,000 personal PVC. To get paid 4th generation, a distributor would need to have (4) PB legs in bonus, plus 1,000 personal PVC. In order to get paid 5th generation, they would need (5) PB legs in bonus without the 1,000 personal PVC.

Benefits

NMD Benefits

The NMD Benefits Program includes Medical, Prescription, Dental, Vision, Life, Health Advocate, Long-term care, Long-term disability insurance and Telemedicine.

Juice Plus+ also offers a College Tuition Assistance Program to NMD's, spouses and dependent children under the age of 24. The benefit for this program is \$875.00 per semester with a maximum of \$1,750.00 per year.

A National Marketing Director is eligible for NMD Benefits if he or she has qualified with (3) POB Legs and minimum earnings each month of \$2,500.00 for three (3) consecutive months after reaching the National Marketing Director position. Example: If you qualify as an NMD in June, your first effective month would be July. You would need to have (3) POB Legs and minimum earnings each month of \$2,500 for July, August, and September, so you could start on Insurance Benefits in October.

Once you are eligible for insurance you must maintain these requirements at least 6 out of 12 months in order to remain eligible for insurance.
